

Leora Leon

Leora Leon converses and presents on podcasts, spiritual conferences, keynotes, and breakouts.

Utilizing the extraordinary enlightenment that Leora sustained during her two traumatic Near-Death Experiences (NDEs) and several life-shattering but spiritually transformative experiences, Leora reveals her lessons learned and her processes to assist others in transforming and transcending the most challenging life experiences into sustained, clear, high-vibrational energy to navigate life with discernment, boundaries, wisdom, and clarity.

Scope of Work

Leora blends her experience and expertise as an Intuitive Coach, Energy Healer, and Master Spiritual Teacher in messages, workshops, and curriculums to:

- Reveal and activate each individual's innate & authentic potential.
- Teach practical self-healing tools to dissolve old worn-out self-beliefs, patterns, blocks, and triggers.
- Create confidence, focus, and courageous overcome.
- Empower a sustained shift in mindset, focus, understanding, and clarity to align with each individual's life path fully.

Leora's bestselling book, *The Powers in You Workbook*, provides a strategic step-by-step process for readers to activate their inner superpowers to connect with their inherent potential and soul's path.
